

FUZION FITNESS & DANCE

POLICIES & PROCEDURES

At Fuzion, we strive for excellence in all that we do! Our objective is to inspire our students to increase self-confidence and develop their talents in a safe and fun learning environment. Please read the following policies carefully and refer to this sheet as needed throughout the year. This will help us work together to achieve a successful year.

Attendance

Please make every effort to have your child attend class. Regular attendance will help your child be successful. It is important that your child be on time so that they can participate in class warm ups. If your child must be absent due to sickness or other circumstances, a refund will not be given. However, if the studio has to cancel classes due to weather or other unforeseen circumstances, we will do our best to schedule a makeup lesson.

Please be prompt in dropping off and picking up your children. Students are not to be left at the studio for excessive time before or after class. Fuzion employees are not responsible for children left unattended before and after class. Please DO NOT leave siblings/other children at the studio unattended.

Tuition & Account

All tuition payments and other fees will be paid through a recurring monthly bill pay service called APS (Automated Payment Service). In order to keep your costs down, payments will be made through bank account transfers (checking or savings) only. Your APS account will automatically be set up when you pay your registration fee online. You will only need to enter your information one time. You will receive a monthly e-mailed statement from Fuzion with all charges, including tuition and any additional fees, by the 5th of each month, September – May. You will be able to choose the date you would like your transfer to occur between the 5th and the 15th day of the month. APS will transfer the balance shown on your statement from your account to Fuzion on that day each month. By submitting your registration fee online, you will have agreed to these terms and conditions regarding payments that are also found on the registration webpage and on the policies section of the registration form. If you have any questions, please email Fuzionfit@gmail.com.

Class Drop Dates

Fuzion classes run September-May. The last day to drop a competition team is November 30. After that point students are expected to finish out the entire year as it causes problems for the rest of the team too close to competition and performance season. The last day to drop a dance or gymnastic class is March 1. If you drop a class after the indicated date you will continued to be billed for the remainder of the season.
